A symphony of colours in flight

Be awed by our colourful birds - immerse in a symphony of colours at Asia's largest bird park, featuring 10 zones, including 8 thematic walk-through aviaries inspired by habitats around the world! Spanning 17 hectares, Bird Paradise is home to more than 3,500 birds from over 400 avian species – of which 24 percent are threatened species.

Discover some of the world's most brilliantly coloured birds at Hong Leong Foundation Crimson Wetlands where you'll find a 20m tall waterfall, an unforgettable sight, and a photo spot not to be missed!

Explore the enchanting realm of Kuok Group Wings of Asia where you'll find Hornbills, Spoonbills, and other fascinating birds of the world's largest continent. Prepare to be swept away by the breathtaking wonders of the Balinese-inspired rice terraces and tranquil bamboo grooves.

Be enthralled by avian presentations at our 2,000-seater Sky Amphitheatre and witness the amazing talents of our birds alongside their special trainers. Encounter mighty predators like the White-Bellied Sea Eagle, showcasing their dominance in the skies at Predators on Wings, and meet the all-star cast of our most popular birds at Wings of the World.

Every visit to our wildlife parks comes with conservation included. With your help, we're creating a better future for wildlife and the planet. Join us and soar into a truly extraordinary adventure today!

Explore the Different Avian World

Meet the Penguins

Dive into the fascinating world of the most endearing flightless birds at Ocean Network Express Penguin Cove. This immersive habitat is one of the world's largest sub-Antarctic, cold salt-water habitats, recreating the landscape of Macquarie Island. Besides the King and Gentoo Penguins, the 3-storey exhibit is also home to the Humboldt and Northern Rockhopper Penguins, renowned for their hopping abilities and feisty behaviour. Don't forget to catch a glimpse of the signature penguin shake after a refreshing swim!

Bird Paradise's Avian Conservation

Discover some of the rarest and most unique birds with high conservation value at Winged Sanctuary. With more than 100 species of birds including critically endangered Great Hornbill and predatory species like the Philippine Eagle. This zone showcases the park's commitment to avian conservation. Do also check out the research and conservation centre to learn about our breeding programmes for threatened species.

Forested Valleys of Continental Africa

Venture into our largest walk-through aviary, Nyungwe Forest Heart of Africa, designed to mimic the lush, forested valleys of central Africa. Prepare to be amazed as you will come face to face with over 80 species of African birds, from the African Grey Parrots to the Superb Starlings and the vibrant-looking Turacos. Did you know that this aviary has the largest cluster of mature trees conserved from the previous Mandai Orchid Garden? The suspension bridges were designed to ensure we retain as many mature trees as possible catch the morning feeding frenzy!

Balinese Charm

Take a tranquil trip to Kuok Group Wings of Asia as you bird-watch over 30 species of our Southeast Asian avian treasures through the calm rice terraces and the winding bamboo corridors of our Bali-inspired aviary. Spot some of the rarest Spoonbill species and the world's most endangered ducks – the Baer's Pochard. While you're marvelling at the paddy fields, take the chance to feed the Pelicans with their favourite fish. This aviary used to be a village with many fruit trees, some of these trees have been retained and carefully integrated into the landscape of Bird Paradise.

Coastal Wetlands of Latin America

Ready your cameras as you enter Hong Leong Foundation Crimson Wetlands! Deliberately designed without beams to allow for unblocked flight paths for the birds housed here. You'll discover a stunning array of crimson-coloured birds featuring Scarlet Macaws, Scarlet Ibises, Roseate Spoonbills and American Flamingos fly freely against the backdrop of a 20m-tall waterfall inspired by the San Juan Curi waterfall in Colombia. Get ready to be amazed by the panoramic view!

Savour the Taste of Paradise

Indulge in a wide array of dining experiences like no other at Bird Paradise. From biting into freshly baked pastries at Bird Bakery to enjoying a mouth-watering buffet spread at Penguin Cove Restaurant, and even savouring in delectable local celebrity chef-curated menu at Crimson Restaurant, you'll be spoilt for choice.

Our Bird Paradise dining outlets serve food thoughtfully made from ingredients that are farmed and harvested in sustainable ways that minimise impact on wildlife and the planet – such as ocean-friendly seafood and sustainable cooking oil.

Journeys into a world of wild places

As the morning mist settles into dew, the calls of the siamang echo across the Singapore Zoo. Hidden within the rainforest are trails waiting to be explored. An adventure awaits. Are you ready?

Discover precious moments with our animals at the Singapore Zoo - A nine-time winner of Singapore Tourism Board's Best Visitor Attraction Category Award.

Be greeted by Simba, our young and inquisitive lion who loves to tussle with his favourite rattan ball.

Meet our free-ranging orangutans as they swing from tree to tree or interact with a giraffe as it lowers its head to feed on a carrot off your palm.

Explore the Fragile Forest, a 20,000 cubic metre walk-through biodome that mimics a tropical rainforest habitat. Get up close to our free-ranging animals like the lesser mousedeer that peeks out shyly from the shadows or hang out with the two-toed sloth at the viewing deck as it awakens from its slumber.

Uncover scaly surprises at RepTopia, home to over 60 species of reptiles and amphibians, a third of which have never been seen here before. From hand feeding a chameleon and watching a cobra feeding session to spotting tiny masters of disguises like the vulnerable Henkel's leaf-tailed gecko, immerse yourself in the riveting world of herpetological wonders.

Catch the Splash Safari Animal Presentation and marvel at the cheeky antics of our Californian sea lion, ring-tailed lemur and coatimundi as they show you their unique personalities!

Home to over 4,200 animals, Singapore Zoo welcomes you into the world of the wild.

We donate a portion of our revenue to conservation projects in Singapore and across Southeast Asia. Your visit comes with Conservation Included. Join us on a journey of discovery today!

Feed Your Curiosity

Catch the animals during their most active time of the day – Meal time! Learn fun facts about your favourite animals as you try your hand at feeding our giraffes, tortoises, goats and rhinoceros! Did you know that a rhinoceros's favourite fruit is honeydew?

Splash Safari Animal Presentation

Get ready for a wet and wild time at Singapore Zoo! Meet our cheeky Californian sea lion and see what tricks he has up his flippers. Adept on land and sea, our playful sea lion is eager to show you his fun and humorous side. For a truly immersive experience, sit in the splash zone at the front row and brace yourself for a splashin' good time!

Keeper Talk

Learn more about our wildlife from the people who know best — the keepers. Discover interesting animal facts and details about the unique quirks and personalities of our wildlife in this educational experience, one that aims to foster and convey conservation awareness.

A Wild Spectacle

Home of the Free-Ranging Orangutans

Did you know that orangutans are the largest tree-dwelling mammals? Get up close with the great apes and discover how we can protect them at the world's first free-ranging orangutan exhibit. Watch as our playful primates forage for food or swing from tree to tree with 360° views in our unique environment.

A Nosy Encounter

Did you know that the bigger the nose of a proboscis monkey, the more attractive it is to females?

Meet our big-nosed monkeys as they go about their daily activities, be it picking fresh leaves from certain plants or leaping from a tree into a river. At Singapore Zoo, we are proud to be the home of one of the world's largest collections of endangered proboscis monkeys.

Rainforest Encounters

Take a trip into the tropical rainforest as you explore Fragile Forest, an open concept 20,000 cubic metre biodome. Spot the free-roaming lesser mousedeer that peeks out shyly from the shadows or hang out with the two-toed sloth as it munches on leaves and twigs. Hike up to the viewing platform and say hello to other animals like the white-faced Saki monkeys, Malayan flying foxes, Toco toucans and more. Come early to catch the morning feeding frenzy!

Sacred Baboons

Did you know the baboons were once revered by ancient Egyptians as representatives of Thoth, the god of science? Meet our over 50-strong congress of hamadryas baboons in their rugged and rocky habitat. Come face-to-face with our intelligent primates as you peer through the glass-fronted viewing gallery. Drop by to watch the daily feedings at the Great Rift Valley exhibit.

Wild Africa

At Wild Africa, you'll find herbivorous hoofstock like zebras and giraffes flanked by their natural predators, the lions and cheetahs. A whiff of the white rhinos' communal dung piles welcomes you and you might feel the hair on the back of your neck rise when you realise you're being watched by our pack of African painted dogs.

Delight Your Tastebuds

Satisfy your cravings any time during your visit at the Singapore Zoo! Enjoy a variety of local delights from our bistro outlets. Savour local favourites such as kaya toast with half-boiled eggs and other mouth-watering delights from Inuka Café! Fuel up on pastas, soups and gourmet hotdogs from Chawang Bistro.

For a hearty meal, head to Ah Meng Restaurant located in the heart of Singapore Zoo for delectable western and local fare such as chicken rice, briyani and fishball noodles. From sweet desserts to meat and vegetarian, there is something for every palate. At Mandai, our food and ingredients do not contain pork or lard. Our seafood comes from sustainable sources to help protect the environment and conserve biodiversity in Singapore.
